MEDIA RELEASE
(FOR IMMEDIATE RELEASE)

TO : ALL MEDIA

SUBJECT : **UPDATE ON THE ROADS IN THE CENTRAL AREA OF THE COUNTRY**

The Roads Authority (RA) hereby wishes to update the public on the status/condition of roads in the central part of the country as follows:

KHOMAS REGION (WINDHOEK DISTRICT)

- **District Road (D) 1466 (from the B1 between Windhoek and Rehoboth to Oamites)**

Repair works on the damaged sections have been completed and the road is open to traffic. However, repair works on the culverts (concrete works) will commence shortly.

OMAHEKE REGION (GOBABIS DISTRICT)

- **Trunk Road (T) 6/1 (B6) (between Gobabis and Buitepos – km 60 to km 110)**

Some sections on this road were damaged after the recent good rains. The RA is currently busy with repair works when the weather permits. Please exercise caution when travelling on this road.

All road users are kindly requested to exercise extra caution and to be vigilant on their journeys, especially in areas where we have received good rain, as repairs are not completed yet. Please report any road damages at your nearest RA Office or send an email to pr@ra.org.na.
