SUBJECT : UPDATE ON THE ROADS IN THE SOUTHERN PART OF THE COUNTRY

The Roads Authority (RA) hereby wishes to update the public on the status/condition of roads that were damaged by the ongoing good rainfall countrywide:

KHARAS REGION

• **Main Road (MR) 27 or tourist Route C16: From Keetmanshoop to Aroab**

MR27 is now accessible and open to traffic. However, road users are requested to exercise extreme caution while driving on this road and to observe the installed warning signs at all times. Repair works are continuing and not all sections are completed yet.

• **Main Road MR33/C15: From Stampriet to Hoachanas**

The Aoub River crosses this road and currently it is not safe to access it. This road has been closed temporary to all traffic between Stampriet and MR41.

Note: Road users between Stampriet and Hoachanas are advised to make use of MR41 as an alternative route.

KHOMAS REGION (WINDHOEK DISTRICT)

- **District Road 1466 (from B1-Windhoek-Rehoboth road to Oamites)**

A section on this road was severely damaged by the good rains in the area, thus road users are requested to exercise great caution. The road is only accessible with 4x4 vehicles only.

OMAHEKE REGION (GOBABIS DISTRICT)

- **Main Road 39 (C20) (between M40 – Near Gobabis and D1837 - to Leonardville)**

Sections on this road were damaged by the good rains in the area. However, the road is open to traffic and road users are requested to exercise caution when using this road.

The public is, once again, requested to kindly report any road damages at the nearest RA Office, send an email to pr@ra.org.na or contact us via our Facebook page (Roads Authority Namibia).
