MEDIA RELEASE
(FOR IMMEDIATE RELEASE)

**TEMPORARY SUSPENSION OF DRIVING AND ROADWORTHY TESTING SERVICES AT
KARIBIB NATIS CENTRE**

The Roads Authority (RA) hereby informs the public that, due to ongoing renovations at our Karibib NaTIS Centre, motor vehicle roadworthy testing and driving license testing services will be temporarily suspended effective Tuesday, 06 May 2025.

The renovations are part of our continued efforts to improve service delivery, ensure the safety of all clients, and upgrade facilities to meet modern standards. Once services are fully reinstated, an official notice will be issued.

In the meantime, clients seeking urgent driving or roadworthy tests are advised to use alternative testing stations during this period. The RA apologises for any inconvenience this may cause.

For any updates regarding RA-related matters, please like/follow our Facebook page (Roads Authority- RA Namibia).
